

Articulation Agreement

The South College School of Pharmacy (SCSOP), desiring to facilitate the application process for students desiring to pursue the Doctor of Pharmacy degree, hereby enters into the following agreement with Chattanooga State Community College.

Definitions

PharmCAS – centralized application service through which applicants apply to SCSOP

Initial Screening – review process by which applicants are selected for interview

Admissions Interview – on-site face-to-face interview of an applicant by members of the SCSOP admissions committee

Terms and Conditions

1. Students must complete the prerequisite coursework for admission to SCSOP as specified in the attachment to this agreement.
2. Students must achieve a minimum 3.00 grade point average on said prerequisite coursework and receive no grade below a C in any prerequisite course.
3. Students meeting the foregoing conditions shall be exempted from initial screening and will be guaranteed an admissions interview for the Summer Quarter entering class.
4. The foregoing notwithstanding, this agreement provides no assurances of admission for any student applying under this agreement.
5. SCSOP reserves the sole right to approve courses comprising the applicable prerequisite coursework. The Chattanooga State Community College pre-pharmacy advisor shall notify SCSOP admissions of any desired substitutions or changes to any of the courses comprising the prerequisite coursework.
6. SCSOP reserves the sole right to modify the grade point average criteria; however, the criteria in effect at the time of a student's initial enrollment at Chattanooga State Community College shall be applicable for that student.

Eligibility and Process

1. Students are expected to declare their intent to apply for admission to SCSOP through the Chattanooga State Community College pre-pharmacy advisor by the end of the semester that immediately precedes the semester during which the student plans to apply.
2. Students are required to submit a PharmCAS application, along with supporting materials, by the SCSOP's normal application deadline.
3. Student must contact the Chattanooga State Community College pre-pharmacy advisor for certification as meeting the aforementioned criteria.
4. The SCSOP admissions office shall contact the student upon receipt of all application materials, including the supplemental application and certification, to schedule an admissions interview. The applicant will be contacted regarding an interview within one month of the submission of all required application materials.

Effective

This agreement shall become effective upon signing by the appropriate individuals at both institutions, and shall remain in effect until terminated by either party.

The agreement shall be reviewed periodically, but at least once every 3 years, with adjustments being made as appropriate. Such adjustments shall not apply retroactively unless agreed upon by both parties.

The agreement may be cancelled by either party with ninety (90) days written notice; however, the opportunity shall be available to any student who was enrolled (and remained continuously enrolled) at Chattanooga State Community College while the agreement was in effect.
